

Standard classrooms

Get exceptional audio and video coverage in classrooms up to 30' x 30' (9.1 x 9.1 m) without a complex setup. Nureva and Logitech combine to make HyFlex and hybrid learning engaging for remote and in-room students alike. And, because we've simplified installation and maintenance, our solutions are easy on IT as well.

Solution components

Nureva® HDL310 audio conferencing system

- Microphone and speaker bar providing full-room pickup with thousands of virtual mics, thanks to next-gen Microphone Mist™ technology
- Connect module with advanced processing power and pro AV features (no DSP required)
- Easy wall-mounted installation in as little as 30 minutes with no specialized skills needed
- Includes Nureva Console and the Nureva App – intuitive tools that simplify setup and enable device monitoring, management and more
- Available in black (HDL310-B) or white (HDL310-W)
- 2-year warranty (additional 3 years available)
