

Large Zoom Rooms

Equip Zoom Rooms up to 30' x 30' (9.1 x 9.1 m) with remarkably easy and effective audio and video conferencing. With this joint solution from Nureva, Avocor and Lumens, you get true full-room microphone pickup, immersive 4K images and AI-powered camera tracking. And everything is easy to deploy, use and manage.

Solution components

Nureva® HDL310 audio conferencing system

- Microphone and speaker bar providing full-room pickup with 8,192 virtual mics, thanks to next-gen Microphone Mist™ technology
- Connect module with advanced processing power and pro AV features (no DSP required)
